## Life Line Screening

**NEW** The ALA has formed a relationship with Life Line Screening, the nation's largest mobile screening service. Life Line Screening has scanned over 2.5 million people; saving thousands from potentially life-threatening situations. With over 14,000 different screening locations per year, they are dedicated to providing prevention nationwide. Life Line Screening offers four tests which identify the risk for stroke through plaque build up in the carotid arteries, abdominal aortic aneurysms, peripheral arterial disease, and osteoporosis. These tests are non-invasive, screening only the outside of the body with ultrasound. The results of your test are sent directly to you within 21 days and you are encouraged to share the results with your own doctor. We have asked Life Line Screening to extend their best price package to Auxiliary members, their families and extended families. Please call **1-800-772-8263** and mention code **BKDC-006** to inquire about costs and to schedule your appointment.
